Summer vibes. No stress. And food that brings teams together.

Planning a summer party, an important meeting, or a special event and need more than a standard setup? No problem. We support you with catering solutions tailored to your occasion, guest count, and team.

From extra sides and custom BBQ setups to vegetarian or vegan menu focuses and fully tailored menus, we take care of the planning, the right setup, and full service on-site if needed.

At Bella&Bona, we make summer party catering easy – from BBQs to team events outdoors or indoors. Our menus are built for everyone on the team, with meat, vegetarian, and vegan options, fresh salads, sides, and desserts.

We take care of preparation, delivery, and setup, so your team can simply enjoy the event – on time, hassle-free, and without the stress.

“

Some teams want a simple BBQ, others need a more tailored setup with extra service and more choice. Whatever your event needs, our team will find the right solution for your event.

Abbas Salloum
Bella&Bona City Manager

“

We work with fresh ingredients and never compromise on quality or flavor – so everyone at the table leaves happy.

Let's get going!

Together we find the right catering setup for your event.
